Please use your wireless device responsibly—preferably not while driving. Don't text and drive.

WORK ZONE SAFETY TIPS:

- Don't speed—obey posted speed limits.
- Stay alert, expect the unexpected.
- Watch for workers and drive with caution.
- Don't change lanes unnecessarily.
- Avoid distractions: using mobile phone, tuning your radio, etc.
- Turn on headlights so workers and other drivers can see you.
- Be especially alert at night.
- Expect delays, especially during peak times.
- Allow sufficient space between you and the vehicle in front of you.
- Anticipate lane shifts.
- Plan ahead—schedule enough travel time.
- Be patient.

SLOW FOR THE CONE ZONE
COLORADO DEPARTMENT OF TRANSPORTATION

Traffic delays or slowing should be anticipated through work zones due to lower posted speed limits, increased traffic, accidents, or other factors.

Published start and/or completion dates are approximate. Other factors can extend, delay or interrupt projects. Work or projects that are short-term or that do not significantly impact traffic flow are not included.
